3M Automotive Aftermarket Repair Rewards Program Rules

Program Description

1. The 3M Automotive Aftermarket Repair Rewards Program (the “**Program**”) is designed to reward U.S. and Canadian Automotive Aftermarket and Marine Aftermarket end-user customers for their purchases of Qualifying 3M Products (as defined in Section 27 below) from authorized 3M Automotive Aftermarket Division distributors as detailed in these Program Rules. “**Automotive Aftermarket**” means body shops, collision repair shops and/or refinish shops concerned with the installation or repair of automobiles, automobile parts, and/or automobile accessories after the initial sale of such automobile to the consumer. “**Marine Aftermarket**” means maintenance and repair operation facilities that repair, refurbish, refit, or otherwise care for yachts, boats, ships, or other marine vehicles.

2. The 3M Automotive Aftermarket Repair Rewards Program begins March 15, 2021 in the United States and March 1, 2022 in Canada and unless terminated or extended by 3M Company and/or 3M Canada Company (collectively, “3M”) in writing at 3M’s sole discretion, will continue through December 31, 2022 (“**Program Period**”).

General conditions

3. Participation and benefits in the 3M Automotive Aftermarket Repair Rewards Program are offered at the discretion of 3M, and 3M has the right to terminate the Program or to change the terms and conditions, rules, regulations, policies and procedures, benefits, conditions of participation (“**Program Rules**”) in whole or in part, at any time, with or without notice, at its sole discretion, even though changes may affect the value of the Program points already accumulated. 3M may, among other things, withdraw, limit, modify or cancel any award. Participants, in accumulating points, may not rely upon the continued availability of an award or award level, and participants may not be able to obtain all offered awards or use awards.

4. Participation in the Program is subject to any Program Rules that 3M may, at its discretion, adopt from time to time. The terms of the Program Rules control your participation in the Program and no covenants at law or in equity shall be implied or incorporated. 3M has the sole right to interpret and apply the Program Rules. Any failure to follow Program Rules, any abuse of Program privileges, any violation of law, rule or regulation, any conduct detrimental to the interests of 3M, any fraudulent activity or attempted fraudulent activity, or any misrepresentation of any information furnished to 3M by any participant, may result in the termination by 3M of such participant’s involvement in the Rewards Program and the loss or cancellation of accumulated points or awards.

5. 3M reserves the right to audit any and all Program accounts at any time to ensure compliance with the Program Rules, without notice to the participant. During the course of an audit or investigation, a participant's account information may be shared with any third party with whom 3M has contracted to assist in performing such audit or investigation. In the event that an audit reveals discrepancies or possible violations, 3M may delay the processing of point redemption requests, cancel any outstanding point redemptions, withhold statements, or suspend the participant’s Program account pending completion of the audit. While the account is suspended, the participant may continue to accumulate points in the account, but no redemptions will be permitted, and any outstanding redemptions will be cancelled. Upon completion of the audit, if a discrepancy or violation has been determined by 3M, in addition to any other

remedies described herein, points may be removed from the account of the participant to remedy such discrepancy or violation with or without notice to the participant.

6. Each participant shall be responsible for remaining knowledgeable as to the Program Rules (including any changes) and the number of points in such participant's account. 3M shall attempt to advise active participants of various matters of interest through such means as may be appropriate, such as emails and its website, but 3M shall have no liability for any failure to do so. 3M will not be responsible for correspondence lost or delayed in the mail. Each participant shall be responsible for advising 3M of any change of address, and 3M shall have no liability for misdirected mail or any consequences thereof. Only U.S. and Canada Automotive Aftermarket and Marine Aftermarket end-user customers are eligible to participate in the Program. As used in these Program Rules, “**participant**” refers to the participating U.S. or Canada Automotive Aftermarket and Marine Aftermarket end-user customer. A participating U.S. or Canada Automotive Aftermarket or Marine Market end-user customer may maintain only one account per business location and such account must be administered by an authorized representative of the participant. Duplicate accounts held by the same business location in the Program will be subject to cancellation. Program participation is nontransferable. Only the participant is entitled to access the participant’s account information. Account information is 3M's proprietary information and participants may access information only for the purpose of obtaining information about their account. No participant may delegate or grant access (via power of attorney, contract, or otherwise) to a third party. Government entities (i.e., local, provincial and federal) and affiliated agencies are not eligible for this offer.

8. Accumulated points do not constitute property of the participant and are not transferable.

9. 3M and its agents are not responsible for incomplete, late, lost, or misdirected Program registrations or submissions. 3M assumes no responsibility for lost, late, mutilated or illegible entries nor for electronic transmission errors resulting in omission, interruption, deletion, defect, delay in operation or transmission, communications line failure, or unauthorized access to, or alteration of data entry or application. 3M is not responsible for any problems or technical malfunction of any telephone network or lines, computer online systems, servers or providers, computer equipment, software, failure of email or users on account of technical problems or traffic congestion on the Internet or combination thereof. Providing false or duplicate information, or any information that violates the eligibility requirements of this offer, will result in disqualification of your request. 3M reserves the right to deny and/or disregard any request deemed to be false or fraudulent. Any person attempting to defraud or in any way tamper with this promotion will be ineligible for the offer and may be prosecuted to the full extent of the law.

Prohibition of sale or barter

10. The sale or barter or attempted sale or barter of any points, awards, or benefits is expressly prohibited. Any points, awards, or benefits transferred or sold in violation of the Program Rules, in addition to exposing the participant to the penalties otherwise associated with violations, may be confiscated or canceled. The use of points that have been acquired by purchase, barter, or other conduct in violation of Program Rules may result in termination of participation and cancellation of accumulated points.
